Jindal School of International Affairs (JSIA)**

invites you to the

## **GUEST LECTURE**

on

# **United Front Work as a Tool for PRC Foreign Policy: Historical Roots and Contemporary Significance**

### **SPEAKER**

## **PROF. RALPH WEBER**

**Professor, European Global Studies  
University of Basel in Switzerland**

Ralph Weber is Professor for European Global Studies at the University of Basel in Switzerland. He is also serving at the Swiss National Science Foundation on the Specialized Committee International Cooperation. His research interests span across from methodological and conceptual aspects in global knowledge production, to comparative and Chinese philosophy, and to Chinese politics, particularly the CCP/PRC overseas activities of the United Front, Propaganda and International Department apparatuses and the intelligence services. Among his recent publications is the chapter «The Party-State's Global Transgressive Political Activities and Influence Work» in the new *Routledge Handbook on Global China* (2024).

**Faculty coordinator:**
